instant gorgeous locks

New from Jessica Simpson and Ken Paves, Hairdo has just launched in Australia! So what is Hairdo? Its full name is Hairdo Clip-in Extension System and it's just that – a light weight and easy to attach, virtually undetectable extension hairpiece. The collection is available in 21" long human hair and in four synthetic versions: long and mid-lengths in straight or softly waved textures. It's available in both 100 per cent fine human hair and Kanekalon Vibralite® modacrylic fiber, the finest quality synthetic fibre available. This easy DIY system offers instantly gorgeous locks in a matter of minutes, short, straight or curly pieces \$159.95 and long, straight and curly pieces \$179.95. Available from House of Ernest Perth Hairdressing Beauty Day Spa, Carillion City, ph 9321 3391.
